4th Infrastructure Forum Brazil-Switzerland

About
The Brazil–Switzerland Infrastructure Forum 2026 is a two-day event combining strategic dialogue, technical depth and business generation, bringing together government authorities, regulators, financial institutions, investors, operators, concessionaires, Swiss and Brazilian companies, associations and selected researchers.

- In its third edition, the Infrastructure Forum Brazil-Switzerland 2025 gathered **more than 200 participants** in two days around innovation and sustainability. Besides 14 panels with 79 panelists, 39 side 1:1 meetings were scheduled during the event.
- The next edition of the Forum will take place **in São Paulo from Nov 10-11 2026**.
- We offer Swiss companies the possibility to **become sponsors** of the Infrastructure Forum and enhance brand awareness at the event.
