NPE 2021

May 17 - 21, 2021 in Orlando

Orange County Convention Center, Orlando, Florida

NPE2021: WHERE INDUSTRY MEETS THE FUTURE

NPE will bring the newest and most innovative plastics solutions together in one space. Every three years, more than 55,000 industry professional from over 120 countries come together to see and experience the technological advancements and product innovation that is transforming the future of the industry.

13 Technology Zones

From plant-based bioplastics to 4D printing, robotics and beyond, the NPE2021 zones allow you to spotlight the latest technologies, newest materials, and most sophisticated processes to attendees looking for ways to run their operations more effectively, produce end-user products more efficiently, and increase their bottom line.

Education at NPE 2021

NPE 2021 offers even more than what's on the show floor. NPE2021's global education programs geared at transforming industry insights into actionable solutions. Sessions about hot topics ranging from sustainability and recycling to 3D / additive manufacturing.

SWISS PAVILION – WHAT OUR CUSTOMERS SAY

“My challenge is to promote and sell our high precision injection moulds to a targeted customer base globally. This needs to be done in the most effective way while retaining a strong professional and Swiss identity. The solution is simply Switzerland Global Enterprise (S-GE). I can focus on my job knowing the rest is covered by S-GE’s fantastic support.”
