SWITZERLAND: A BUSINESS LOCATION FOR EMERGING TECHNOLOGIES

DATE

Tuesday, 25th February 2020, 19.00 – 23.00

LOCATION

- Royal Barcelona Yatch Club (RCNB), Real Club Náutico de Barcelona, Moll Espanya, s/n, 08039 Barcelona
- Metro Station: L3 Drassanes / L4 Barceloneta

PRESENTATIONS

Please join us for an evening about Swiss Tech:

Switzerland is a hotspot for emerging technologies such as blockchain and cognitive intelligence (AI).

Switzerland's liberal regulation, quality talent pool and pragmatic research collaborations allow for a business-friendly location where international companies come to experiment, develop and validate new products and services.

Interested in learning more?

Our panel of experts will talk about the Swiss business environment for foreign companies, what the latest trends are in blockchain and AI applications, and why setting up an office in Switzerland will help you stay ahead of the curve.
