5. Swiss-Polish Roundtable

Cross Border Business in the Digital Age

Business expansion with digitalization and local representation
Best practices from healthtech and beyond

Tuesday, 6 November 2018
08:00 – 13:30

Hotel Seedamm Plaza
Pfäffikon SZ, Switzerland

HEALTH TECH INTERNATIONAL

Technology moves at an exponential pace; as an imperative, businesses have to engage with digitalization to successfully master the implications of digital change. There is a need for new business and operating models.

The Swiss-Polish Roundtable brings together companies from Poland and Switzerland to explore possibilities of exchange, inspiration and partnerships. This event reaches business leaders from ICT, the healthtech industry and beyond. Key topics addressed at the 5. Swiss-Polish Roundtable are:

- Digital operating models versus local representation – Mutually beneficial or exclusive?
- Collaboration between teams in different countries – How to improve efficiency?
- Expanding business – What to learn from Swiss and Polish best practice examples?
- Blockchain – Is it *the* cross boarder business driver?

Why to attend

Hear from the experts.

- Our content providers are proven business leaders, strategists, and practitioners and provide valuable market insights.

Meet with new customers and suppliers.

- Our speakers, panelists and exhibitors are experts in the industry and solution-providers and they have answers to your questions.

Create valuable connections.

- Meet more than 80 business leaders (figure 2017 edition) and learn about new business and sourcing opportunities in Switzerland and Poland.

In addition, meet experts at the Topic Islands for an individual discussion of your business needs. In the afternoon, Switzerland Global Enterprise (S-GE), the official Swiss export and investment promotion agency, will host country consulting meetings with focus on Poland.

HEALTH TECH INTERNATIONAL

If you are interested in doing business in Poland or investing in Switzerland, please register for a free of charge meeting with a S-GE consultant that will advise you on most optimal further steps for your business plan.

We are convinced that this international meeting will give you new insights and new contacts for future business.

We are looking forward to seeing you in Pfäffikon SZ in Switzerland.
