AFRICA BUSINESS DAY
THE ANNUAL PLATFORM FOR BUSINESS
BETWEEN SWITZERLAND AND AFRICA

22 JUNE 2018

VENUE: STEIN, AG

DETAILS & REGISTRATION: www.sabc.ch/abd

There are no simple rules for building efficient, effective and equitable partnerships especially in Africa. Working in partnerships across countries, disciplines and sectors can drive the growth of projects and initiatives but also pose a number of challenges for companies operating in African countries. AFRICA BUSINESS DAY 2018 will explore how Swiss companies can overcome these challenges and leverage opportunities to build successful partnerships in the current context.
