May

2	22 – 24 May 2019	Building and real estate	<p>AstanaBuild / WorldBuild Astana – 2019 https://astanabuild.kz/en/home-en/11-exhibition/6-about-exhibition</p> <p>21st Kazakhstan International Exhibition "Construction and Interiors, Heating and Ventilation, Windows and Doors, Facades, Road Construction, Ceramics and Stone"</p> <p>Exhibition Sections:</p> <p>Build:</p> <ul style="list-style-type: none"> • construction and construction materials • heat insulating materials and technology • electric tools and hand-held tools • equipment to manufacture construction materials and finishing materials • landscape design • fittings • electrical goods • roofing materials • millwork and woodworking • cottage building <p>Interiors and finishing materials:</p> <ul style="list-style-type: none"> • interior finishes • paint and varnish • lightning goods and technology • interior and design 	Exhibition centre "Korme"
----------	-----------------------------	---------------------------------	--	---------------------------

			<ul style="list-style-type: none"> • decotex and carpets • window decorations • flooring • interior doors and partitions • forged products • furniture <p>Heat and vent, water supply and sanitaryware systems:</p> <ul style="list-style-type: none"> • automatic control systems • fittings and valves • water treatment, water supply and water conditioning • gas burners and boilers • control and measuring instruments • pumping equipment • sanitary ware equipment • bathroom furniture and accessories • water supply and wastewaters technology • heating systems • pipes and pipelines • fittings and valves • ventilation • air lines • air outlets • air cleaning • components and equipment • compressors and pumps • air conditioning • air humidification and humidifiers • cool supply • bath-houses, saunas and swimming pools • whirlpool and massage baths • controlled volume pumps • materials for construction and finishing of swimming pools • equipment for aqua parks, saunas and SPA salons • water purifiers • chemical components for swimming pools • bio fuel • biogas • integrated heat systems • water saving systems • heating systems on pellet boilers and fireplaces • solar heating • solar cooling • heat pumps • energy efficiency <p>Windows, doors and facades:</p> <ul style="list-style-type: none"> • window technology • glass-work technology • facades and architecture • aluminium technology • gates and automatics • metal doors and locks <p>Ceramics and stone:</p> <ul style="list-style-type: none"> • ceramic tiles • mosaics 	
--	--	--	--	--

			<ul style="list-style-type: none"> • ceramic granite • natural and imitation stones • ceramic industry equipment and technology • stone and stone processing <p>Road construction:</p> <ul style="list-style-type: none"> • engineering and construction of roads, bridges and tunnels • halt concrete factories • d construction and excavation equipment and machinery • icipal machinery and equipment • lding machinery and equipment • go handling machinery and equipment: cranes, excavators, loaders, land levellers, earthmovers, and mini excavators • erials and structures for construction, maintenance and repairs of roads, bridges and tunnels • cial machinery and equipment • re parts and components for machinery and equipment • ffic tools: road signs, traffic lights, highway striping, and guard rails 	
3	22 – 24 May 2019	Machine building	<p>MachExpo Kazakhstan 2019 www.machexpo.kz</p> <p>7th Kazakhstan International Industrial Exhibition Machine Building, Machine-Tool Building and Automation</p> <p>Exhibition Sections:</p> <p>Heavy machine building:</p> <ul style="list-style-type: none"> • carrying and lifting machine building (carrying and lifting machines, hoisting cranes, lifts, elevators and skylifts, stream-flow transportation machines, conveyors) • railway machine building • shipbuilding • aircraft industry • rocket and space industry • power plant engineering • construction and utility machine building • agriculture machine building • oil and gas machine building • chemical machine building • wood and paper machine building <p>Medium machine building:</p> <ul style="list-style-type: none"> • automotive industry • tractor industry • machine-tool building • robotics technology • tool-making industry • light industry equipment • food-processing industry equipment • household appliance and machine industry <p>Precision machine building:</p> <ul style="list-style-type: none"> • instrument making 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • radio engineering and electronics manufacturing industry • electrical engineering industry <p>Process automation, standardisation and information support:</p> <ul style="list-style-type: none"> • control and measurement instrumentation and quality control systems • automated design and production management systems, software components and materials, research and development, computer technology • computer-aided design and concurrent engineering in machine building • automated process and production control systems • automatic systems of developing control programmes, technological and informational support to consumers • communication systems in machine building <p>Welding equipment, technologies and materials Occupational safety and health</p>	
4	22 – 24 May 2019	Power.	<p>Power Astana 2019 https://www.powerexpo.kz/en/</p> <p>8th Kazakhstan International Energy, Electrical equipment and Machine building Exhibition</p> <p>Exhibition Sections:</p> <p><u>ELECTRICAL ENGINEERING</u>Power machine building</p> <ul style="list-style-type: none"> • Electrically-powered equipment • Electricity, heat and gas supply systems • Equipment and machinery for housing and municipal services • Systems and instruments for measuring and control • Systems for automated process control • Software • Energy-efficient and energy-saving technologies and equipment • Safety of energy facilities and environmental safety <p>NUCLEAR POWER ENGINEERING</p> <ul style="list-style-type: none"> • Nuclear power plants - materials and equipment, process modeling • Nuclear reactors and facilities in various types and purposes • Commissioning works, operational equipment • Isotopic products • Materials resistant to aggressive environments; X-ray protective materials • Constructive and special ceramics • Equipment and technologies for radioactive waste reprocessing and dumping • Transport and packaging components • Tracking and safety systems of radioactive cargoes 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Remote and robotic maintenance systems • Sensors, instruments and equipment for monitoring and control, diagnostics of equipment condition • Radiation monitoring devices: dosimetric, spectrometric, radiometric • Physical protection equipment for facilities using radiation technologies • Tools and technologies for environmental rehabilitation of radioactive and chemically contaminated sites • Integrated NPP safety systems • Software and hardware for NPP automated process control systems • Info-communication technologies and solutions for nuclear industry • Special construction materials <p>ENERGY SAVING AND ENERGY EFFICIENCY</p> <p>CABLE AND WIRE</p> <ul style="list-style-type: none"> • Power cables, control cables, communication cables, fiber optic, special-purpose cables • Wires for overhead power lines, power, communication, winding wires, special-purpose wires • Connecting fittings, insulating materials and other related materials • Accessories, equipment, tools and accessories for installation and laying • Technique for laying and installation of cables and wires <p>LIGHTING, INDUSTRIAL LIGHTING ENGINEERING</p> <ul style="list-style-type: none"> • Industrial and warehouse objects lighting • Street, underground passages, road junctions, transport highways lighting • Light sources, LEDs • Technologies, equipment and materials for lighting production • Light control systems and light metering devices 	
5	22 – 24 May 2019	Machinery, Engineering & Industrial Technology	<p>NDT Kazakhstan 2019 www.ndtexpo.kz</p> <p>5th Kazakhstan International Non-Destructive Testing and Technical Diagnostics Exhibition</p> <p>"NDT Kazakhstan" exhibition is designed to represent the full range of NDT equipment, monitoring systems and services in the field of non-destructive testing and technical diagnostics, for laboratory control and safety review.</p> <p>"NDT Kazakhstan" belongs to the range of international exhibitions in the field of non-destructive testing and technical diagnostics such as NDT Russia (Moscow and St. Petersburg) and the Aerospace Testing & Industrial Control (Moscow), organized by the British group of companies ITE.</p> <p>Exhibition Sections:</p>	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Non-destructive testing • Personnel training in the field of nondestructive testing • Equipment and devices for non-destructive testing • Services in the field of nondestructive testing • Technical Diagnostics • Laboratory control • Environmental Diagnostics • Destructive testing • Measurements and tests • Services in the field of industrial safety • Production control • Mechanical testing • Metrology and standardization • Nanometrology and nanodiagnostics • Laboratory control • Climatic testing 	
6	22 – 24 May 2019	Occupational Safety and Health, Astana	<p>KIOSH – 2019 www.kiosh.kz</p> <p>9th Kazakhstan International Occupational Safety and Health Conference and Exhibition</p> <p>Exhibition Sections:</p> <p>Production and realization of individual protection equipment:</p> <ul style="list-style-type: none"> • special clothing and footwear • Personal safety products and outfit • Fire precautions, fire protection equipment, machinery and systems • Integrated safety systems • Antiterrorism and customs/inspection equipment • Warning safety signs • Safety system installation and after sales services • PPE production accessories. Sewing cutting tools • Labour medicine • Labour hygiene • Sanitary and consumer services • Convalescent facilities • Technical safety, designing of facilities' engineering safety systems and their integrated fitting out • Measurement and control equipment • Emergency monitoring, localization and prevention systems and facilities, tools • Special technologies and equipment for APG blowout prevention and recovery • Gas analyzers • Purification plants • Transportation of hazardous substance • Working at height • Expertise, assessment, certification, training in HSE 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Consulting • Risk management. Insurance • Labour protection research works • Environmental information and data processing • Measuring and control equipment for safety engineering • Control and measuring devices, automation • IT, managing systems • Radiation control • HSE departments SHOW of HSE achievements 	
7	29 – 31 May 2019	Agriculture, Food Industry	<p>InterFood Astana 2019 www.interfoodastana.kz</p> <p>21st Kazakhstan International Exhibition "Foodstuffs, Drinks, Packaging and Equipment for Food Industry"</p> <p>"InterFood Astana" exhibition is a traditional meeting ground for foreign and Russian experts in the sphere of food, processing and packaging industry. Distinguishing feature of this exhibition is a package approach to presentation of sector achievements - from food to technologies and manufacturing equipment.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Food • Food additives and ingredients • Alcohol and soft drinks, tea, coffee • Equipment for production of food, drinks, packing • Packaging technologies, tare and containers • Refrigerators and commercial equipment • Food processing equipment • Equipment for supermarkets, cafes, bars and restaurants. 	Exhibition centre "Korme"
8	29-30 May 2019	Water	<p>«SU ARNASY – Water Expo Central Asia 2019» http://www.suarnasyexpo.kz/</p> <p>IX International exhibition and conference</p> <p>SU ARNASY is a Water Expo Central Asia 2019 is the only specialized exhibition of the water industry in Central Asia.</p> <p>The exhibition has been gathering industry experts for 16 years and has become a unique platform for demonstrating the potential of enterprises and the latest achievements in the field of water supply and sanitation for infrastructure and industrial facilities to a wide audience of specialists from Central Asia. Only once every two years, water industry experts have the opportunity to familiarize themselves with the latest developments and technologies of leading manufacturers of the industry, to get expert opinion, to share experience with colleagues and to be acquainted with practical solutions.</p> <p>The exhibition gathers professional visitors from all over</p>	Palace of Independence (52 Tauelsizdik Street)

			<p>the region of Central Asia - managers and specialists of utilities, infrastructure and industrial facilities.</p> <ul style="list-style-type: none"> • City and regional enterprises and services of housing and communal services of the region. HOUSE, AXO and other departments of industrial facilities, commercial and residential buildings. • Departments responsible for water treatment and wastewater treatment in the food industry: manufacturers of oil and fat, dairy products, ice cream, mayonnaise; • meat processing enterprises, fisheries, wineries; • industrial laundries and dry cleaners, spa and bath complexes; • metallurgical industry; energy, Construction companies. Project organizations. • Training and research organizations. Specialties: construction, engineering systems and networks, water supply and sewerage. Environmental organizations, environmental organizations. • Car wash. • Government agencies and sectoral departments of Central Asia responsible for infrastructure and engineering networks. • Contractors of construction organizations, public infrastructure projects. 	
June				
9	12 – 13 June 2019	Natural Resources. Industrial Exhibitions	<p>Astana Mining & Metallurgy (AMM) – 2019 https://amm.kz/en/</p> <p>10th International Mining and Metallurgy Congress</p> <p>Exhibition "Astana Mining & Metallurgy (AMM) - 2019" is a territory of advanced technologies and innovative developments for the mining and metals industry.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Technologies and equipment for mining industry • Chemistry for mining industry • Industrial and environmental safety • Geology • Engineering company • Financial company • Audit company • Innovative developments 	Exhibition centre "Korme"
September				
10	26-27 September 2019	Travel & Tourism	<p>Astana Leisure 2019 https://www.leisure.kz/en/</p> <p>16th Kazakhstan International Tourism Exhibition in</p>	Exhibition centre "Korme"

			<p>Astana</p> <p>Exhibition Sections</p> <ul style="list-style-type: none"> • Posted in Exhibition • National and regional travel agencies • Tour operators and travel agencies • Airlines and air agencies • Hotels, hostels and health centres • Merchant associations and companies • Insurance and banking services in tourism • Information technologies in tourism • Medical tourism 	
October				
11	1-3 October 2019	Business, Economics, Finances, Safety	<p>«KAZAKHSTAN SECURITY SYSTEMS 2019» http://kss-expo.kz/eng</p> <p>V International Security and Civil Protection Exhibition and Conference</p> <p>Exhibition Sections: The system of anti-terrorist protection of terrorist-sensitive facilities. "Safe city":</p> <ul style="list-style-type: none"> • engineering and technical constructions and obstacles • engineer obstacle • security alarms and systems • access control systems • video surveillance systems • fire detection and fire-fighting systems • communication systems and means • public address systems • sites illumination • physical security <p>Information security:</p> <ul style="list-style-type: none"> • computer network security • security fetch protection, electronic keys • immediate information destruction devices • firewalls <p>Transportation security:</p> <ul style="list-style-type: none"> • integrated security systems for passengers terminals • road traffic security systems, urban public transportat security systems • dangerous, oversize and heavy load cargo traffic safety • viaduct security systems <p>Prevention of emergencies and accidents, and remediation of their consequences:</p> <ul style="list-style-type: none"> • monitoring and predictions of earthquakes, mudflows, overflowings • emergency and safety equipment • measuring instrumentation • mobile medical units and laboratories • deployable rapid assembly shelters • personal protection equipment • fire-proof, explosion-proof materials, overalls 	Palace of Independence (52 Tauelsizdik Street)

			<ul style="list-style-type: none"> • autonomous power supply systems <p>Technical means of border control and customs inspection:</p> <ul style="list-style-type: none"> • engineering-technical equipment of borders and frontier checkpoints • technical means for documents checking, transport inspections, personality identification • customs control and technical means for its provision, customs terminal equipment • organization of police dog service work • obstacles <p>Equipping of law enforcement bodies and special services with special technical means. Police equipment:</p> <ul style="list-style-type: none"> • non-lethal weapons • movement restriction means • explosives deactivation equipment and means • anti-terrorist equipment, counter-terrorism means • laboratory equipment; criminalistics • supporting tools for special investigation activities and covert surveillance • IT-solution for security provision • armor protection means, military uniform, munitions • special transportation means • search and inspection equipment 	
12	25-27 October 2019	Agriculture	<p>KazAgro 2019 and KazFarm 2019 http://kazagroexpo.kz/en/home-2/</p> <p>Kazakhstan International exhibitions KazAgro 2019 and KazFarm 2019</p> <p>Exhibition sections:</p> <ul style="list-style-type: none"> • Agricultural machinery, equipment and spare parts. • Mechanical equipment for agricultural enterprises, farm businesses and summer cottages. • Irrigation and drainage. • Harvesting and storage systems. • Equipment for food and processing industry. • Milling equipment. • Packaging equipment and materials. • Agricultural buildings and warehouses. • Gardening, vine-yards, hot housing, ecological aspects of technologies in planting, irrigating and modern system of seeding. • Biological technology, quality control of agricultural raw materials and products. • Agroecology. • Ecologically safe means of protecting plants, fertilizers and their using technologies. Feed production. • Technologies of closed soil. • Food stuffs, halal products. • Seeds, sprouts, vegetables-fruits. • Genetics and selection in planting. • Tobacco and tobacco products. 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Agrarian science, education, publications. • Cattle breeding, poultry industry, fishing industry, beekeeping. • Feeding-stuffs, breeding, care, farms. • The newest rations of nutrition for cattle and poultry, concentrates, premixes, feed and vitamin additives. • Veterinary medicine and biological additives. • Stock breeding complexes. • Special tools and equipment for slaughter-houses. • Modern technologies and equipment for cultivation, care and maintenance of cattle breeding, poultry-breeding and bee-farming. • Boiling and smoking systems. • Packaging equipment and materials. • Transportation, warehousing, freezing and storage. • Trade, weighting and cooling machinery. • Hygiene and safety of the production, protection of the environment, utilization of wastes. • Agroecology. • Food stuffs, halal products. • Genetics and selection in cattle-breeding. • Raw material for production of bioenergy. • Biomass treatment. • Biogas unit. • Biogas production. • Bioenergy. • Service, research, development, institutions, publications. 	
13	30 October – 1 November 2019	Healthcare & Beauty	<p>Astana Zdorovie 2019 https://www.astanazdorovie.kz/en/</p> <p>16th International Kazakhstan Exhibition on Healthcare</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Medical Equipment and Machinery • Laboratory Equipment / Technologies • Diagnostic Equipment • Medications • Surgical Instruments • Orthopaedics and Rehabilitation • Dental Materials and Services • Optics and Ophthalmology • Biotechnologies • Medical Services • Hospital • Motherhood and Childhood Health Care, Children's Nutrition • Homeopathy, Food Supplements • Raw Materials and Ingredients for Pharmaceutical Production • Equipment of Medical Institutions • Ambulance and Rescue • Health & Beauty Products • Medical Clothes 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Packages for Drugs • Modern Information Technologies in Health Care • Insurance 	
November				
14	07 – 09 November 2019	Textiles. Fashion. Cosmetics.	<p>SuluExpo - Astana 2019 http://suluexpo.kz/en/sulu-astana-en</p> <p>18th international exhibition of beauty industry</p> <p>Specialized exhibition of beauty products in Kazakhstan - "SuluExpo", is a promising basis for the promotion of new cosmetic brands from Europe and Asia to Kazakhstan.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Professional, curative makeup • Machine and aesthetic cosmetology, plastic surgery, anti-age medicine • Outfit for salons (furniture, equipment, accessories, consumables) • Specialized educational centers, schools • Nailing service • Permanent make-up, microblading • Hairdressing • Perfumery, selective production • Fitness industry • Pharmacy cosmetics, cosmeceuticals, dietary supplements • "Hand made" cosmetic products • Mass media 	Exhibition centre "Korme"
15	07 – 10 November 2019	Textiles. Fashion. Cosmetics.	<p>Aru-Astana – 2019</p> <p>3rd International Jewelry Exhibition</p> <p>The number of exhibitions and festive fairs in young capital grows form year to year. Yet only some have become really popular and have obtained the recognition of Astana people. One of such exhibitions is Aru Astana Jewellery Fair. For many people the Fair has become the favourite and one of the bright moments. And the exhibitors have a possibility to represent a novelty of the season to wholesale buyers, who come from all regions of Kazakhstan for replenishment of the assortment. Interest of retail buyers to a jewellery exhibition will be warmed up by the lotto - drawings of adornments, which are planned for all days of an exhibition.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Jewelry made of gold, silver and platinum • Precious and semi-precious stone • Watches, bijouterie • Art weapons, merchandise • Gift goods made of silver, merchandise • Jewelry designed dinner ware 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Fitments, accessories, caskets • Equipment for jewelry exhibition, distribution and storage (furniture, illuminating devices) • Wrappings for jewelry 	
16	14 – 19 November 2019		<p>HUS-Expo-2019</p> <p>12th International Forum</p> <p>Hus Expo is a 2 days event being held from 14th November to 15th November 2019 at the in Astana, Kazakhstan. This event will bring together representatives of relevant ministries and departments, heads and specialists of local executive bodies supervising utilities, water and wastewater, heating, gas, and landscaping, specialists operating companies of electric power distribution facilities, representatives of financial institutions, scientists, research institutes, universities, consulting firms and companies specializing in the field of HUS.</p> <p>Exhibition sections:</p> <ul style="list-style-type: none"> • Eco-innovation – «green technologies», nanotechnologies • Energy conservation, energy efficiency, resource conservation • Alternative energy sources, alternative energy saving systems • Energy audits, energy management and energy-efficient, environmental design • Modernization of multifamily housing and social-administrative buildings • Heat supply • Water treatment systems, water supply and sanitation, «green technologies» conservation • Individual life-support systems • Construction industry, «green building» • Lift facilities: elevators, lifting equipment and dispatching • Equipment and technologies for gas and gas facilities • Electrical, electronic equipment, power supply • Energy-efficient lighting fixtures, lighting systems and controls, LED technology and systems, energy-efficient LED lights for HUS • Management of solid waste (MSW) • Infrastructure, landscaping yard areas, gardening and landscaping • Professional management and maintenance of housing • Grounds care. Construction equipment and tools • Education system and training for the sphere of HUS and construction. 	Exhibition centre "Korme"

ALMATY 2019

February				
1	24 – 27 February 2019	Home textile.	<p>Home Textile Exhibition 2019 http://www.hometextileexpo.kz/</p> <p>16th International «Central Asia Home Textile 2019» Exhibition</p> <p>Exhibition sections:</p> <ul style="list-style-type: none"> • Curtains, Jacquard curtains fabrics • Tullies, Woven curtain fabrics • Organza, voile taffeta fabrics • Decorative curtain accesories • Decorative & upholstery fabrics • Decorative cushions • Decorative trimmings & Embroidery • Bedding & bathroom textile • Bedspread covers Bed Sheets • Tablecloths, Towers & Bathrobes • Rughes, Mats & lab robes • Kitchenware & accesories • Carpet and flooring 	Exhibition centre "Atakent"
March				
2	17 – 19 March 2019	Textiles. Fashion. Cosmetics.	<p>Central Asia Fashion Spring - 2019 http://www.fashionexpo.kz/en</p> <p>International Fashion Fair</p> <p>"Central Asia Fashion" - a convenient platform where all the necessary conditions for finding a reliable partner in the person of the manufacturer of clothing and placing orders for supply of collections according to the latest fashion trend. Great importance to the exhibition is for the clothing manufacturers. Their participation at the event - guarantee the interest of buyers from Kazakhstan in establishing long lasting relationships, which, consequently, will expand their influence on Kazakhstan market.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Women's clothing • Men's clothing • Jeans clothing • Children's clothing • Bags, shoes & accessories • Underwear & swimwear • Wedding & evening dresses • Leather & fur products • Sports wear 	Exhibition centre "Atakent"
