ASTANA 2018

N	Date	Topics	Exhibition Name	Place
April				
1	04 – 06 April 2018	Education.	5th International Exhibition of Technologies for Education and Professional Training www.worlddidac-astana.org Exhibition sections : <ul style="list-style-type: none"> • IT in education; • Distance learning and e-learning; • Educational software; • Interactive aids and multimedia; • Technological decisions in optimizing the teaching process; • Software and databases; • Computers, components, peripheries, office equipment; • Language labs; • Technical training facilities; • Aids and equipment for preschool level; • Training equipment, simulators and aids; • Up-to-date teaching aids, special equipment and furniture for children with special needs; • Machine-tools, equipment, facilities for workshops and technology training; • Training specialized equipment for professional training, higher schools and universities. • Sports goods, sports complexes, equipment for sports halls, grounds; • Furniture and goods for preschools, schools, colleges and universities; 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Textbooks and teaching aids for all educational levels; • Developing and cognitive literature; • Materials and equipment for creative activities and work, office supplies, toys; • Public libraries, electronic libraries; • School uniform, shoes, headwear; • Symbols of the Republic of Kazakhstan (licensed); • Communication operators, Internet portals, communication methods; • Periodicals; • Promotional products, printing art; • Continuing Professional Development, management in education. 	
2	14 – 16 March 2018	Agriculture, Food Industry	<p>AgriTek/FarmTek Astana - 2018 13th International Specialized Agricultural Exhibition http://agriastana.kz/en/index.html</p> <p>The Global Association of the Exhibition Industry (UFI, www.ufinet.org) approved the independent audit of the International Agriculture Exhibition “AgriTek/FarmTek Astana” and announced assignment of “UFI Approved Event” distinction to such event. According to official statistical data, AgriTek / FarmTek Astana 2017 exhibition was attended by 4340 persons, 89% of whom being specialists.</p> <p>Exhibition Sections:</p> <p>Agricultural machinery and equipment:</p> <ul style="list-style-type: none"> • tractors, trucks • sowing machines, tillage equipment • fertilizers, spreaders • harvesting and after-harvesting machines • laying-in and storage of hay • landscape works and forestry • growing of wine products and wine makingv • spare parts • irrigation equipment, pumps • technologies of high farming • plant protection • fertilizers and soil additives • oil products • sacks, films and packing <p>Gardening equipment:</p> <ul style="list-style-type: none"> • garden seeders and planters • equipment for fruits and vegetables gathering • equipment for sorting and packing • greenhouses and hothouses • equipment and implements for greenhouses • technologies of irrigation and fertilization • fertilizers and soil additives • insecticides, hybrids, fungicides • equipment for heating and ventilation • seeds and planting stock • gardening products • products and technologies of floriculture • garden equipment 	Exhibition centre "Korme"

			<p>Animal husbandry and cattle breeding:</p> <ul style="list-style-type: none"> • technologies and innovations in stock farming • incubator equipment • reproduction • cattle fodder and supplements • preparation and processing of forage • sanitary and veterinary technologies • processing of cattle waste • animal complexes • getting and processing of milk and dairy produce 	
3	28 – 30 March 2018	Building and real estate. Industrial Exhibitions	<p>PromStroy - Astana - 2018 19th Kazakhstan International Exhibition http://www.buildexpo.kz/</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Industrial, civil, and road building • Erection works and building of oil-and-gas and mining industry facilities • Building machines and mechanisms, road machinery • Building and finishing materials • Water supply, sewerage, sanitary equipment • Heating systems, energy-saving equipment • Roofing and waterproofing materials • Nonmetallic building materials industry (extraction, breaking and beneficiation of building stone, break stone) • Ecology, environmental protection technologies, territory reclamation <p>Technologies and equipment for furniture and woodworking industry:</p> <ul style="list-style-type: none"> • wood processing • materials and technologies in furniture production • machines and tools for furniture production • fittings and components 	Exhibition centre "Korme"
4	28 – 30 March 2018	Building and real estate	<p>BuildIndustry-Astana 2018 XIX Kazakhstan International Building Exhibition http://www.buildexpo.kz/en/for_exhibitors.html</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Sale of apartments in new buildings • Operations in the secondary market • Commercial real estate • Elite real estate • Country houses, land plots • Real-estate abroad • Mortgage lending • System of housing building savings • Insurance • Legal services on real estate operations • Realtor services • Architectural projects 	Exhibition centre "Korme"

April				
5	3 – 5 April 2018	Industrial Exhibitions. Automobiles, Storage, Transport, Logistics and Transportation	<p>KIAE supported by Automechanika. Commercial Transport Expo Central Asia (CTECA) – 2018</p> <p>International Exhibition of Automotive Parts, Components, Car Maintenance Equipment and Products</p> <p>KIAE supported by Automechanika</p> <p>Mission "KIAE" to help create civilized conditions for interaction of market participants, increasing business turnover and strengthen trade and industrial ties between local and foreign companies.</p> <p>Exhibition Sections:</p> <p>Spare parts and car components:</p> <ul style="list-style-type: none"> • transmission • chassis • body • model details • interior details • alternative drive units • charger device • restored spare parts and components for cars and commercial vehicles • parts and service for vintage cars • industry institutions and publishers <p>Auto electronics:</p> <ul style="list-style-type: none"> • engine management system • lighting system of the car • electrical system • device for driving assistance • security system car • equipment to ensure comfort • industry institutions and publishers • Garage equipment and services: • garage equipment and tools • body repair • painting and corrosion protection • body for passenger cars and SUVs • trailers and camping sites • towing, breakdown assistance, on-site service • the removal and recycling • equipment for dealers • training and professional development • restoration and maintenance of vintage cars <p>Auto accessories and tuning:</p> <ul style="list-style-type: none"> • accessories • tuning, clubs, design improvement, personal improvement • entertainment • special cars and their modifications • alternative drive units • wheels, tires, control system tire pressure • trailers for passenger cars and commercial vehicles, parts and accessories 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Service station & car wash: • refueling fuel • washing and protecting the paintwork • oil and grease • charging and infrastructure <p>Goods and services for commercial vehicles:</p> <ul style="list-style-type: none"> • products and services for commercial and freight vehicles • Automotive design and engineering • Logistics • Banking services • Insurance services • Specialized publications • Training and certification 	
6	11 – 13 April 2018	Astana Interior Design	<p>Astana Interior Design www.astanainterior.kz</p> <p>Astana Interior Design is a 3 day event being held from 11th April to 13th April 2018 at the Korme Exhibition Center in Astana, Kazakhstan. Astana Interior Design is a 3 day event that will bring together designers, architects, manufacturers, businessmen and other players of the creative industry from around the world.</p> <p>Exhibition sections:</p> <ul style="list-style-type: none"> • Floor Design: rocks, ceramics, parquet, laminate, wood, mosaic, new materials • Furniture Design: residential and office furniture, kitchens, in-built furniture, eco-furniture, HORECA • Décor and Textile: interior textile, apparel for windows, décor elements, paintings, fireplaces • Interior Lights: lamps, floor lamps, illumination devices, interesting solutions in illumination for residential area, light based zoning, LED devices, smart technologies • Bathroom Design: bathroom ceramics, wall and floor coatings, bathroom furniture, accessories and auxiliary components • New Interior Technologies: newest technologies, software, 3D-printers, robotic engineering • Design Studios and Education: design studios, printed materials, schools etc. 	Exhibition centre "Korme"
7	11 – 13 April 2018	«AstanaFloraExpo — 2018»	<p>VIII International Exhibition of Flowers, Landscape Architecture, and Design www.astanaflorepo.kz</p> <p>“AstanaFloraExpo” is a unique specialized industrial exhibition in the Republic of Kazakhstan and the entire Central Asia combining specialists of flower industry and floristry, landscape architecture and design, specialists in the field of garden and park construction, general improvement and landscaping.</p> <p>Main sections of the exhibition:</p> <ul style="list-style-type: none"> • Flowers and floriculture • Landscaping architecture and design. Park and garden construction • Floristry and floral arrangement accessories 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • Nursery-gardening. Horticultural crops • Greenhouses and greenhouse technologies 	
8	26 – 27 April 2018	Machine building	<p>MachExpo Kazakhstan - 2018 6th Kazakhstan International Industrial Exhibition for Machine Building, Machine-Tool Building and Automation www.machexpo.kz</p> <p>Exhibition Sections:</p> <p>Heavy machine building:</p> <ul style="list-style-type: none"> • carrying and lifting machine building (carrying and lifting machines, hoisting cranes, lifts, elevators and skylifts, stream-flow transportation machines, conveyors) • railway machine building • shipbuilding • aircraft industry • rocket and space industry • power plant engineering • construction and utility machine building • agriculture machine building • oil and gas machine building • chemical machine building • wood and paper machine building <p>Medium machine building:</p> <ul style="list-style-type: none"> • automotive industry • tractor industry • machine-tool building • robotics technology • tool-making industry • light industry equipment • food-processing industry equipment • household appliance and machine industry <p>Precision machine building:</p> <ul style="list-style-type: none"> • instrument making • radio engineering and electronics manufacturing industry • electrical engineering industry <p>Process automation, standardisation and information support:</p> <ul style="list-style-type: none"> • control and measurement instrumentation and quality control systems • automated design and production management systems, software components and materials, research and development, computer technology • computer-aided design and concurrent engineering in machine building • automated process and production control systems • automatic systems of developing control programmes, technological and informational support to consumers • communication systems in machine building <p>Welding equipment, technologies and materials Occupational safety and health</p>	Exhibition centre "Korme"
9	26 – 27 April	Power.	<p>The 7th Kazakhstan International Energy, Electrical equipment and Machine building Exhibition www.machexpo.kz</p>	Exhibition centre

	2018		<p>Kazakhstan International "Energy, Electrical equipment and Machine building" Exhibition - Power Astana is the main metropolitan exhibition area for demonstration of equipment, technologies and services in the field of Energy, Electrical equipment and Machine building.</p> <p>Power Astana project is primarily intended for specialists of the Northern, Western and Eastern regions of Kazakhstan.</p> <p>The capital of Kazakhstan has not been chosen as the accidental venue of the exhibition. Since the capital moving Astana holds leading positions among the regions on the pace of socio-economic development, housing construction volumes, infrastructure development and attraction of investments in the real sector.</p>	"Korme"
10	26 – 27 April 2018	KazAtomExpo	<p>NDT Kazakhstan - 2018 4th Kazakhstan International Non-Destructive Testing and Technical Diagnostics Exhibition</p> <p>"NDT Kazakhstan" is the only field-specific exhibition in Central Asia. It is a place for business communication and information exchange of consumers and main suppliers of equipment and services in the field of non-destructive testing, technical diagnostics and inspection methods of the objects in the industrial safety system.</p> <p>"NDT Kazakhstan" exhibition is designed to represent the full range of NDT equipment, monitoring systems and services in the field of non-destructive testing and technical diagnostics, for laboratory control and safety review.</p> <p>"NDT Kazakhstan" belongs to the range of international exhibitions in the field of non-destructive testing and technical diagnostics such as NDT Russia (Moscow and St. Petersburg) and the Aerospace Testing & Industrial Control (Moscow), organized by the British group of companies ITE.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Non-destructive testing • Personnel training in the field of nondestructive testing • Equipment and devices for non-destructive testing • Services in the field of nondestructive testing • Technical Diagnostics • Laboratory control • Environmental Diagnostics • Destructive testing • Measurements and tests • Services in the field of industrial safety • Production control • Mechanical testing • Metrology and standardization • Nanometrology and nanodiagnostics • Laboratory control • Climatic testing 	Exhibition centre "Korme"

11	26 – 27 April 2018	Security.	<p>KIOSH - 2018 8th Kazakhstan International Occupational Safety and Health Conference and Exhibition www.kiosh.kz</p> <p>Exhibition Sections: Production and realization of individual protection equipment:</p> <ul style="list-style-type: none"> • special clothing and footwear • Personal safety products and outfit • Fire precautions, fire protection equipment, machinery and systems • Integrated safety systems • Antiterrorism and customs/inspection equipment • Warning safety signs • Safety system installation and after sales services • PPE production accessories. Sewing cutting tools • Labour medicine • Labour hygiene • Sanitary and consumer services • Convalescent facilities • Technical safety, designing of facilities' engineering safety systems and their integrated fitting out • Measurement and control equipment • Emergency monitoring, localization and prevention systems and facilities, tools • Special technologies and equipment for APG blowout prevention and recovery • Gas analyzers • Purification plants • Transportation of hazardous substance • Working at height • Expertise, assessment, certification, training in HSE • Consulting • Risk management. Insurance • Labour protection research works • Environmental information and data processing • Measuring and control equipment for safety engineering • Control and measuring devices, automation • IT, managing systems • Radiation control • HSE departments SHOW of HSE achievements 	Exhibition centre "Korme"
12	26 – 27 April 2018	Industrial Exhibitions	<p>3rd Kazakhstan International Non-Destructive Testing and Technical Diagnostics Exhibition www.ndtexpo.kz https://www.ndtexpo.kz/en/</p> <p>In 2017 NDT Kazakhstan will be held in conjunction with the major industrial trade shows: Power Kazakhstan – “Energetics, Electrical engineering and Power engineering”; Kazatomexpo – “Atomic Energy and Industry”; MachExpo Kazakhstan – “Machinery and Mechanical engineering and Automation” and KIOSH – “Occupational Health And Safety”. Undoubtedly, joint</p>	Exhibition centre "Korme"

			<p>carrying of industry events will attract the maximum number of experts working in various sectors, including energy, machine-building, oil and gas, mining, nuclear, space, etc.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Non-destructive testing • Training of personnel in the field of non-destructive testing • Equipment and instruments for non-destructive testing • Services in the field of non-destructive testing • Technical Diagnostics • Monitoring systems • Energy audit • Laboratory control • Environmental diagnostics • Destructive testing • Measuring and testing • Services in the field of industrial safety • Mechanical testing • Metrology and standardization • Nanometrology and nanodiagnostics • Laboratory control • Computer vision • Production control • Climate testing

14	23 – 26 May 2018	Business, Economics, Finances, Safety	<p>KADEX - 2018 International Exhibition of Arms and Military Equipment http://www.kadex.kz/eng/main/</p> <p>The International Exhibition of Weapons Systems and Military Equipment "KADEX", which has been held in Astana city since 2010, is a wonderful platform for demonstration of the latest advances in the sphere of defence industry and opinion exchange between experts. The global community has duly appreciated the Kazakhstani weaponry exhibition. This is evidenced by the continuous growth in the number of its participants and visitors. Every year, a significant agreement package is signed on the exhibition.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> Aircraft and aerotechnics Space technologies Weapons and equipment for land and naval forces Air defense means and systems Logistic and equipment support IT-technologies, communication tools and systems. Cyber defense UAVs and robotic in military sphere Alternative energy sources in the military sphere 	Exhibition centre "Korme"
15	29 – 31 May 2018	Agriculture, Food Industry	<p>InterFood Astana 2018 20th Kazakhstan International Exhibition "Foodstuffs, Drinks, Packaging and Equipment for Food Industry" https://www.interfoodastana.kz/en/</p> <p>"InterFood Astana" exhibition is a traditional meeting ground for foreign and Russian experts in the sphere of food, processing and packaging industry. Distinguishing feature of this exhibition is a package approach to presentation of sector achievements - from food to technologies and manufacturing equipment.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> Food Food additives and ingredients Alcohol and soft drinks, tea, coffee Equipment for production of food, drinks, packing Packaging technologies, tare and containers Refrigerators and commercial equipment Food processing equipment Equipment for supermarkets, cafes, bars and restaurants. 	Exhibition centre "Korme"

June				
16	19 – 22 June 2018	Natural Resources. Industrial Exhibitions	<p>Astana Mining & Metallurgy (AMM) - 2018 9th International Mining and Metallurgy Congress https://amm.kz/en/</p> <p>Exhibition "Astana Mining & Metallurgy (AMM) - 2018" is a territory of advanced technologies and innovative developments for the mining and metals industry.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Technologies and equipment for mining industry • Chemistry for mining industry • Industrial and environmental safety • Geology • Engineering company • Financial company • Audit company • Innovative developments 	Exhibition centre "Korme"
17	19 – 22 June 2018	Building and real estate. Municipal Management	<p>KazComak - 2018 15th Kazakhstan International Exhibition "Road & Heavy Construction, Municipal Vehicles"</p> <p>"KazComak" is the biggest specialized exhibition in Kazakhstan that annually gathers at its ground international and leading domestic companies manufacturing machinery and equipment for quarry development, asphalt processing, industrial construction, road and housing and public utilities construction, road works.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Asphalt concrete factories • Road construction, earth moving machines • Quarry equipment • Utility machinery • Tunnel-boring machinery • Materials handling equipment, cranes • Technics for transportation • Excavators, loaders, graders, bulldozers, tractors, mini excavators • Spare parts and components for machinery and equipment • Hydraulic and pneumatic equipment • Renting and leasing of machinery and equipment • Design and construction • Machines and materials for maintenance and repair of roads • Equipment for the production of raw materials 	Exhibition centre "Korme"
18	19 – 22 June 2018	MWCA-2018	<p>MiningWorld Central Asia - 2018 24th Central Asian International Exhibition "Mining Equipment, Ore and Mineral Mining and Benefication" https://miningworld.kz/en/exhibition/about-the-exhibition</p> <p>MiningWorld Central Asia (UFI Approved Event) is the largest and most respected in Kazakhstan and Central Asia international exhibition of mining and metallurgic complex combining leading manufacturers and specialists</p>	Exhibition centre "Korme"

			<p>and providing a full complex of technologies and services for mining and processing complex.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Open pit mining • Underground mining • Mineral processing • Prospecting • Geological exploration • Metalworking • Laboratory analysis equipment • Handling and transport of minerals • Environmental protection • Industrial health and safety • Design and construction of mining enterprises • Equipment for mining and metallurgical complex • Services for mining and metallurgical industry (consulting) • Spare parts and accessories for machinery and equipment • Software • Radio electronic and computer equipment 	
19	19 – 21 June 2018	Mining	<p>WMC - 2018 25th World Mining Congress https://www.wmc2018.org/en/congress/about-congress</p> <p>The "World Mining Congress (WMC)" is a global mining industry event, which is held every three years, has been held once every 2-3 years since 1958 and brings together specialists and scientists from different countries working in the solid mineral deposit - development sector. The World Mining Congress over the history of its existence the number of participating countries of the Congress has increased from 10 to 49 and continues to grow.</p> <p>The leading institutions along with key suppliers and service companies will present innovative developments in mining industry. The leading experts of mining industry and representatives of related industries from all over the world will give speech at the World Mining Congress.</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Global Business • Open-pit mining • Underground mining • Enrichment • Energy and energy efficiency • Innovation and Mining 4.0 • Safety and Health in mining • Human resources for mining • Geological exploration • Ecology, waste processing • Automation • Coal • Sustainable development • Geotechnology of underground borehole leaching • Machine building in mining • Transport and logistics • Women in mining 	Exhibition centre "Korme"

20	27 – 29 June 2018	Agriculture, Food Industry	AGRIANIMALS.KZ - 2018 International Exhibition of Livestock and Poultry http://abexpo.kz/en/exhibition/traditional/ Exhibition Sections: <ul style="list-style-type: none"> • Animal husbandry: cattle breeding, sheep breeding, camel husbandry, poultry farming, fish breeding, beekeeping • Machinery, technologies and equipment for livestock and poultry • Forage crops: kinds, cultivation, and production • Technology for haying, haylage, silage • Rational use of pastures and hayfields • Organization of forage base and feeding the animals • Biofuel. Processing and disposal of wastes • Manure removing equipment • Veterinary hygiene. Cleaning, disinfection equipment and products • Slaughtering equipment • The equipment for processing of livestock products • Refrigerating machinery • Livestock products • Tare. Dosage. Wrapping. Packaging. Labeling • Transport and logistics • Agroindustrial complex leasing, credit, investment, insurance • Agrarian science and education • Agro- associations and -unions. Agrarian media 	Exhibition centre "Korme"
September				
21	26 – 28 September 2018	Sport, Tourism, Hobbies and Entertainments	Astana Leisure - 2018 16th Kazakhstan International Tourism Exhibition https://www.leisure.kz/en/ The exhibition enables participants to: Use their participation in the exhibition as diversified marketing event. Set new contacts and conclude contracts with International, Kazakhstan, Central Asian, Russian, Caucasian tourism companies Inform more than 3 000 exhibitors about new tourism services Find constant clients and potential consumers of tourism services. Optimize and organize the net and work of regional offices Estimate strategic development of the company activity on Kazakhstan tourism market Exhibition Sections: <ul style="list-style-type: none"> • National and regional touristic organizations • Tour operators and travel agents • Airlines and air agencies • Hotels, pensions, sanatoriums • Trade associations and organizations • Insurance and banking services in tourism • Informational technologies in tourism • Medical tourism 	Exhibition centre "Korme"

22	26 – 28 September 2018	Business, Economics, Finances, Safety	<p>Kazakhstan Security Systems - 2018 International Exhibition for Security and Civil Protection http://kss-expo.kz/eng</p> <p>Exhibition Sections: The system of anti-terrorist protection of terrorist-sensitive facilities. "Safe city":</p> <ul style="list-style-type: none"> • engineering and technical constructions and obstacles • engineer obstacle • security alarms and systems • access control systems • video surveillance systems • fire detection and fire-fighting systems • communication systems and means • public address systems • sites illumination • physical security <p>Information security:</p> <ul style="list-style-type: none"> • computer network security • security fetch protection, electronic keys • immediate information destruction devices • firewalls <p>Transportation security:</p> <ul style="list-style-type: none"> • integrated security systems for passengers terminals • road traffic security systems, urban public transportat security systems • dangerous, oversize and heavy load cargo traffic safety • viaduct security systems <p>Prevention of emergencies and accidents, and remediation of their consequences:</p> <ul style="list-style-type: none"> • monitoring and predictions of earthquakes, mudflows, overflowings • emergency and safety equipment • measuring instrumentation • mobile medical units and laboratories • deployable rapid assembly shelters • personal protection equipment • fire-proof, explosion-proof materials, overalls • autonomous power supply systems <p>Technical means of border control and customs inspection:</p> <ul style="list-style-type: none"> • engineering-technical equipment of borders and frontier checkpoints • technical means for documents checking, transport inspections, personality identification • customs control and technical means for its provision, customs terminal equipment • organization of police dog service work • obstacles <p>Equipping of law enforcement bodies and special services with special technical means. Police equipment:</p> <ul style="list-style-type: none"> • non-lethal weapons • movement restriction means • explosives deactivation equipment and means • anti-terrorist equipment, counter-terrorism means • laboratory equipment; criminalistics 	Exhibition centre "Korme"

27	15 – 16 November 2018	LLC Exhibition Company "Fair Expo", SibExpoService Topic(s): Building and real estate. Business, Economics, Finances, Safety. Natural Resources. Information Technologies and Communications. Municipal Management. Petroleum, Gas, Chemistry. Industrial Exhibitions. Automobiles, Storage, Transport, Logistics and Transportation.	Housing and Communal Services Stroy - Expo - 2018 11th International Exhibition of Housing and Public Utilities and Construction Exhibition Sections: <ul style="list-style-type: none"> • Energy saving, energy efficiency, innovation, energy management • Alternative energy sources alternative energy saving system, solar power plants, battery, panel • Heat: heat supply, heating systems, boilers, pumps, heat exchangers, pipes, metering devices, insulation, designing • Water: water, water, sewerage, pipes, design, production, technology, LOS, purification technology • Gas: gas supply, independent gas, engineering, pipelines, systems, purification, technologies, equipment, meters, appliances • Construction technology, materials, equipment • System of ventilation and conditioning • Roofing, windows, facades, technologies • "Green technology", "smart home", "warm floor" • Heat-sound-waterproofing • Energy-efficient lighting, lighting systems and controls, led technology and systems, energy-efficient led lamps for housing and communal services • Electrical, electrical equipment, electricity, power system, power equipment • SDW: municipal waste collection, sorting, recycling • Elevators, production equipment • Communal equipment, construction equipment • Infrastructure, the improvement of yard and park areas, landscaping, landscape design 	Exhibition centre "Korme"
28	21 – 23 November 2018	Society.	Education and Science of the XXI Century - 2018 17th Kazakhstan International Exhibition The advantage of visiting the exhibition for the visitor: for visitors to the exhibits opens the world of the latest educational technologies and developments. Everyone can find something interesting for themselves and to choose the development path that suits him. Education fair helps to choose a school by comparing it with a similar one. And this can be done by a set of criteria, the most suitable for humans: <ul style="list-style-type: none"> - quality of knowledge; - level of teaching staff; - prestige of institutions and diploma; - infrastructure of the University. The main goals and objectives of the exhibition: <ol style="list-style-type: none"> 1. Demonstration of achievements in the field of content at all levels of education, modern training technologies, training equipment, new curricula and educational-methodical complexes of new generation 2. Exhibition promotes the expansion of international cooperation in the field of education, promoting 	Exhibition centre "Korme"

			<p>priority of education and professionalism in the modern world</p> <ol style="list-style-type: none"> 3. Participation in exhibition will let You know the situation in the education market, to present their school, attract the attention of visitors to You developed curriculum, textbooks and teaching methods, literature, to draw conclusions for the future 4. Informing young people about the diversity of directions and forms of education in the country and abroad. 	
29	21 – 23 November 2018	<p>"Pem Fair" Exhibition center, a Member of the Russian Union of Exhibitions and Fairs, UFI Member (World Association of Exhibition Industry) Topic(s): Petroleum, Gas, Chemistry. Industrial Exhibitions.</p>	<p>Industrial Week - 2018 Specialized Exhibition</p> <p>The benefits of participation in the exhibition:</p> <ul style="list-style-type: none"> - establish new business contacts: direct access to managers of industrial enterprises of the Republic of Kazakhstan; - possibility of presentation of your advantage to the customers of your competitors and the reason to remind about yourself for your partners; - ability to imagine the right audience for new projects and activities of Your company; - organization of individual meetings with the heads of engineering companies and the military-defense industry of the Republic on the platform of the exhibition - "Business contacts exchange". <p>Exhibition Sections:</p> <p>Energy and energy efficiency:</p> <ul style="list-style-type: none"> • equipment, technology and services for the production and transmission of electricity • high-voltage and low-voltage equipment, protective devices and equipment • electrical and electric equipment • converters, transformers, transformer substations • cable and cable fittings • industrial lighting, light sources, led lighting • energy-saving and energy-efficient technologies and equipment • alternative energy sources <p>Oil. Gas. Chemistry:</p> <ul style="list-style-type: none"> • geology of oil and gas • development, construction and operation of oil and gas wells • oilfield services and drilling • development and production of oil and gas • transportation, gathering and storage of petroleum products and gas • piping and valves • analytical and laboratory equipment • pumps, compressors, actuators and engines • environmental, industrial, fire and information security <p>Metalworking. Welding:</p> <ul style="list-style-type: none"> • products engineering enterprises for industry • metalworking, welding equipment and materials • control and measuring equipment • systems of automatic designing • software products for the organization and 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • production management • laser equipment • generator and compressor equipment • lubrication and coolant • components and materials, technical equipment <p>Mine:</p> <ul style="list-style-type: none"> • design and underground construction • excavation, preparation and stripping • mining, construction shoring • bookmark workings • haulage, transport, logistics, warehouse • chains, ropes and fasteners • products from rubber and plastic 	
30	28 – 29 November 2018	Building and real estate. Municipal Management. Automobiles, Storage, Transport, Logistics and Transportation.	<p>Kazavtodor - KazTraffic – 2018 International Exhibition</p> <p>Exhibition Sections:</p> <p>"Kazautodor - 2018":</p> <ul style="list-style-type: none"> • Road-building, excavation special machines, municipal vehicles, machines for highway maintenance, crushing and grading complexes, asphalt-concrete and cement-concrete plants and laying complexes • Advanced technologies and materials for building, reconstruction, repair and maintenance of autoroads, road bridges and crossunders • Technologies, machines and materials for building, repair and maintenance of airdromes • Special machines and equipment for ground service of airdromes • Tunnel and bridge construction, repair and facilities maintenance • Road asphalts and lubricating stuff • Devices and equipment for material inspection, diagnostics and operational control of road work quality and current state of road surface, bridges and tunnels • Engineering. Advanced technologies for preliminary design and design works on basis of using GLONASS/GPS. 3D designing • Software and connections • Geophysical, geotechnical, drilling and blasting works • Work wear • Education system and staff training activities • Leasing and rent of construction machines and equipment • Financial and insurance services • Specialized mass media <p>"KazTraffic - 2018":</p> <p>Intelligent transport systems for road complex management:</p> <ul style="list-style-type: none"> • toll roads: pay management systems, control of motor transport parameters and compliance with the requirements of using toll roads • positioning systems on basis of GLONASS/GPS • systems of safety communication on road with first responders • systems of information support for road users • weather control on road 	Exhibition centre "Korme"

			<ul style="list-style-type: none"> • communication systems (telecommunication systems and cellular communication) • systems of photo and video recording and road traffic control • control and recording systems for following traffic regulations • automatic test systems for transport weights and external dimensions <p>International transport corridors and logistics:</p> <ul style="list-style-type: none"> • carriage by road, air, rail and water transport, courier and overnight delivery • freight forwarding, warehousing services, warehouses and processing centers • insurance and leasing of transport equipment • controlling systems for transport and warehousing logistics • navigation and monitoring systems <p>Road safety management:</p> <ul style="list-style-type: none"> • interactive information support: road signs, traffic lights, display boards • road surface marking, guard rails and sound barriers • energy-saving systems of road and street lighting, illuminating devices • protective clothes and overalls • safety equipment <p>Motorway service:</p> <ul style="list-style-type: none"> • modern solutions for motorway service management and roadside areas arrangement • complex solutions for motorway service management and integrated part of the complex • private-public partnership in the system of motorway service management <p>Parking management:</p> <ul style="list-style-type: none"> • parkings: systems of providing drivers with information on location of parkings and space availability, systems of payment and account, visual surveillance and safety • barriers, materials, parking garages

ALMATY 2018

March				
1	11 – 13 March 2018	Textiles. Fashion. Cosmetics.	<p>Central Asia Fashion Spring - 2018 International Fashion Fair http://www.fashionexpo.kz/en</p> <p>"Central Asia Fashion" - a convenient platform where all the necessary conditions for finding a reliable partner in the person of the manufacturer of clothing and placing orders for supply of collections according to the latest fashion trend. Great importance to the exhibition is for the clothing manufacturers. Their participation at the event - guarantee the interest of buyers from Kazakhstan in establishing long lasting relationships, which, consequently, will expand their influence on Kazakhstan</p>	Exhibition centre "Atakent"

			market. Exhibition Sections: <ul style="list-style-type: none"> • Women's clothing • Men's clothing • Jeans clothing • Children's clothing • Bags, shoes & accessories • Underwear & swimwear • Wedding & evening dresses • Leather & fur products • Sports wear 	
April				
2	05 – 07 April 2018	Textiles. Fashion. Cosmetics.	SuluExpo - 2018 13th Specialized Exhibition of Beauty Industry http://suluexpo.kz/en/ Today " SuluExpo " is rich in content and events exhibition: - Championships of national scale; - Competitions of regional level; - Conference topical issues; - Master classes all directions with the participation of eminent masters; - Training seminars, trainings from the best beauty experts of Kazakhstan and Russia; - Forums reputable specialists in their field; - The lottery "Beauty Boss" and "Sulu Boom" for directors and specialists of beauty industry. Exhibition Sections: <ul style="list-style-type: none"> • Professional, curative makeup, perfumery • Machine and aesthetic cosmetology, plastic surgery • Equipment for salons, cosmetological and SPA centers (furniture, machines, accessories, consumables) • Specialized educational centers, schools • Nailing service • Hairdressing • Products for lashmakers • Disposable consumables • Topical mass media 	Exhibition centre "Atakent"
3	05 – 08 April 2018	Textiles. Fashion. Cosmetics.	Aru-Almaty - 2018 27th International Jewellery Exhibition https://eventegg.com/aru-almaty/ Exhibition Sections: <ul style="list-style-type: none"> • Jewelry made of gold, silver and platinum • Precious and semi-precious stone • Watches, bijouterie • Art weapons, merchandise • Gift goods made of silver, merchandise • Jewelry designed dinner ware • Fitments, accessories, caskets • Equipment for jewelry exhibition, distribution and 	Exhibition centre "Atakent"

			<p>storage (furniture, illuminating devices)</p> <ul style="list-style-type: none"> • Wrappings for jewelry 	
4	05 – 07 April 2018	Society.	<p>Education and Career - 2018 18th Kazakhstan International Exhibition</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Preschool and high-school education • Bachelor's programme, master course, post graduate course • Foreign language courses, trainings • Foreign education and university exchange programme • Continuing professional education, career planning and consulting career development • Scholarships and educational grants for foreign colleges • IT-solutions in educational sphere • Educational materials and textbooks • Libraries, furniture for educational institutions, stationary 	Exhibition centre "Atakent"
5	05 – 07 April 2018	Advertising and Publishing Activities.	<p>On the Great Silk Road - 2018 International Book and Printing Exhibition</p> <p>Exhibition Goals:</p> <ol style="list-style-type: none"> 1. To strengthen integrated cultural and business ties between publishers and printers of different countries 2. To activate experience exchange, boost implementation of newest technologies into book industry, printing and book trade 3. To support promotion of modern Kazakhstani books and strengthening of domestic book publishing industry, distribution of experience between subjects of publishing business, strengthening of positions of national manufacturer on domestic book market 4. To introduce potential buyers to the whole modern assortment of book products of Kazakhstan <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • Printed products: books, magazines, newspapers, posters, postcards • Audio-, video-, e-books • Bookstores • Printing equipment and materials • Printing services • New technologies and expendables for printing offices • Stationery • Libraries, archives • Literary agencies 	Exhibition centre "Atakent"
6	18 – 20 April 2018	Building and real estate. Business, Economics, Finances, Safety.	<p>KazRealty - 2018 Kazakhstan International Real Estate and Investment Exhibition Date: 18.04.2018 - 20.04.2018</p> <p>Exhibition Sections:</p> <ul style="list-style-type: none"> • New building sale 	Exhibition centre "Atakent"

			<ul style="list-style-type: none"> • Secondary market services • Elite real estate • Cottages and country real estate • Housing construction • Commercial real estate • Warehouses and industrial facilities • Investments • Real estate abroad • Realtor services • Mortgage lending • Real estate rent • Real estate purchase and sale • Assessment • Real estate management • Legal services • Information services • Migration services • Insurance • Banking services 	
7	18 – 20 April 2018	Sport, Tourism, Hobbies and Entertainments.	<p>KITF - 2018 18th Kazakhstan International Exhibition "Tourism & Travel" https://www.kitf.kz/en/</p> <p>Exhibition Sections: "Health, Wellness and Medical Tourism":</p> <ul style="list-style-type: none"> • Spa and resort treatment • climatic, balneological and mud resorts • SPA & Wellness centres • children's health institutions • diagnostic, rehabilitation centers, clinics • medical services: preventive, diagnostic, medical, rehabilitation • treatment abroad • alternative medicine • consultancy, service and insurance companies • transport services <p>Gastronomic tourism Event tourism MICE (Business tourism)</p>	Exhibition centre "Atakent"
8	19 – 21 April 2018	Agriculture, Food Industry.
