SUPPORT FOR SWISS CLEANTECH EXPORTERS

There are fantastic opportunities for Swiss cleantech companies who are looking for new exports markets. This is because many countries currently have initiatives to promote cleantech and because Swiss technology enjoys a great reputation. Switzerland Global Enterprise is here to support SME’s in their international activities.

KEEP CALM, NO MATTER WHAT
Do the administrative requirements for exporting make you weak at the knees? Do you have questions concerning customs tariffs, export documents, country of origin or VAT? Our specialists are here to help guide you through the maze.

For answers to all your questions concerning exportations: s-ge.com/exporthelp

AVOID COSTLY MISTAKES ABROAD
If you do not want to have to pretend to be Sherlock Holmes to find the information you need about potential partners in your target markets, and you can’t find what you need on the Internet, then our export consultants here in Switzerland and those abroad who are directly in contact with the market can help you.

To book a personal meeting: s-ge.com/countryconsulting

A WORLDWIDE PRESENCE IN ONLY ONE CLICK
The official Cleantech database of the Swiss Confederation - CUBE - is your route to information about cleantech opportunities from markets around the world.

Sign up and receive information tailored for you: s-ge.com/cube

DON’T GET FLUSTERED BY ALL THE RAZZMATAZZ OF AN EXHIBITION
Better to have the time to discuss with your visitors than run around worrying about your booth. Let us organise your participation at a Swiss Pavilion: our experts can manage everything from start to finish, so that you can concentrate on your customers.
