Business Support on Your Doorstep

Enterprise Europe Network (EEN)

WE COMBINE INTERNATIONAL BUSINESS EXPERTISE WITH LOCAL KNOWLEDGE TO TAKE YOUR INNOVATION INTO NEW EUROPEAN MARKETS.

EEN helps ambitious businesses innovate and grow on an international scale. It is the largest European support network for small and medium-sized enterprises (SMEs).

In Switzerland EEN is supporting Swiss companies and is represented by Switzerland Global Enterprise (S-GE) for Business consulting and Innosuisse for Research, Innovation and Technology

Blinkers – successfully tackling the legal situation in germany with support from een

“We founded our startup in Switzerland and knew that we would need to tailor our product to local markets and their legal traffic regulations. Thanks to the support of EEN and its representation in Switzerland, S-GE, we were able to quickly and reliably gain an overview of the legal situation in Germany. And this free of costs – a huge advantage for a small startup.”

JAVIER FERNANDEZ DE ALEGRIA
CEO Velohub AG

Dixi Cylindres SA – new skills developed within the company and new market opportunity

“Founded in 1924, we are a family run company. Thanks to EEN we were able to partner with a French medtech company and respond completely to their product challenge. This collaboration has led to a long-term partnership agreement offering us new product development opportunities in the medtech sector.”

FRANÇOIS HEILI
Sales Manager Dixi Cylindre SA
