

5 reasons to become a member

Join our dynamic export community to take your export strategy to the next level. Together, we will shape a successful future for your company in the global competition. With over 2,100 members, S-GE offers a unique platform for the exchange of export know-how and exclusive member benefits.

1. Part of a unique export community

The increasing complexity of global business requires a lively exchange on trading opportunities and challenges. Our export community connects a wide variety of companies, associations and institutions.

2. Exclusive special events for members

As a member of S-GE, you can take part in exclusive events, including inspiring presentations by leaders in politics and business as well as networking with other companies and international experts.

3. Attractive price savings

S-GE offers an extensive service portfolio for exporting companies with attractive price savings for members, including advice, information and free participation in exciting events.

4. Presentation of your company

Our members gain online visibility in the export community membership directory and through the "Member of the Month" award.

5. Strengthening Switzerland and the Principality of Liechtenstein as a business location

S-GE supports companies with professional advice and access to a global network of experts. Your membership helps ensure that our commitment to the business location is financially possible.

We are happy to assist you with any questions
