

Peral[®] Berry

What is Peral Berry[®] Product?

It is a urinary alkalizer containing **minerals and cranberry** to support a healthier urinary tract by relieving painful and burning urination, preventing recurrent urinary tract infections, and reducing the risk of cystitis.

Active Ingredients and Effects

- **Potassium:** helps to treat renal tubular acidosis and prevents hypocitraturic calcium oxalate nephrolithiasis.
- **Magnesium:** works synergistically with the potassium citrate in alkalizing the urine, as together they help to prevent the formation of kidney stones.
- **Cranberry:** helps to prevent recurrent lower urinary tract infections.

Uses

- Prevents Urinary Tract Infection (UTI)
- Prevents kidney stones
