International Machine Tool & Manufacturing Technology Exhibition

Concurrent shows

International Exhibition of Dies & Moulds, Forming Tools, Machine Accessories, Metrology and CAD / CAM

International Exhibition on Digital Manufacturing Technology

Organiser

Indian Machine Tool Manufacturers' Association

Venue

IMTEX 2023, Tooltech 2023 & Digital Manufacturing 2023

What was trending?

- Sector-specific solutions for auto, EV, die and mould, aerospace, medical and electronic industries, etc.
- Shift towards multi-axis, multi-tasking, hybrid, and high-precision machines, faster tool change and clamping, inspection based on vision systems, and laser profiling.
- IoT enabled solutions, indicating a shift towards offering customized total solutions than machines.
- Diamond turning machines capable of achieving nano level of surface finish, combination machines for 5-axis manufacturing.
- High precision micro, 5-axis machining center for small parts manufacturing.
- Spiral and bevel gear manufacturing machines.
- Multi-axis gear hobbing machines, camshaft grinders, polygon turning, high-precision double-disc grinder.
- Three-axis moving head surface grinder, high-speed, energy-efficient slant turret design with a removable chip tray instead of a chip conveyor (motor) for sustainability.
- Machine, and robot-based metal additive manufacturing machines, hybrid metal additive machines, etc.

Concurrent Shows

Exhibitors showcased the world of parts, accessories and systems for machine tools and manufacturing technology.

International Exhibition on Digital Manufacturing Technology

85 Exhibitors.
3000 sqm of gross exhibition space

Industry 4.0

49 Exhibitors. An increase of 53% compared to 2019.

Products on Display

- Augmented Reality • Virtual Reality • Communication & Networking
- Data Acquisition Hardware • Guided Vehicles • Smart Handling & Transfer Systems
- IoT Devices, Sensors, and Components • Vision Systems • Artificial Intelligence
- Data Analytics & Cloud Services • ERP • Smart Factory Solutions • CAD/CAM/CAE
- Products and solutions for Machines and Manufacturing

Additive Manufacturing / 3D Printing

36 Exhibitors. An increase of 71% compared to 2019

Products on Display

- Additive Manufacturing / 3D printing Machines • Scanning • Digitization • Metrology
- Inspection Equipment • Metal Moulding • Tooling

The percentage of increase in exhibitors demonstrates the demand for digital manufacturing solutions in the manufacturing industry.

Comprehensive Report on Indian Metalworking Machine Tool Industry 2023 | IMTMA Members' Directory 2023 | Exhibition Catalogue on IMTEX 2023 released at the inauguration.

A coffee table book titled 'The Navigator' during IMTEX 2023 inauguration. It is an effort to trace the history and evolution of the Association from 1946, the year it was formed, to the present day.

The IMTMA Premier Outstanding Entrepreneurship Award in memory of Vinod Doshi was conferred to Rajendra S. Rajamane, Managing Director, Rajamane Industries.

The IMTMA BFW Lifetime Contribution Award in memory of H.R. Gupta was conferred to L. Krishnan, Managing Director, TaeguTec India Private Limited.

The IMTMA Best Design Award was conferred to Amace Solutions Private Limited, Bestek Engineering Private Limited and Bharat Fritz Werner Limited for their exemplary indigenously designed, developed, and manufactured products in metal cutting technology.

The IMTMA Export Performance Award was conferred to Grind Master Machines Private Limited and Trishul Machine Tools Private Limited for their significant achievement in the export of machine tools and related products.

Testimonials

This edition of IMTEX & Tooltech was keenly awaited by exhibitors and visitors. Their interest to showcase their offerings was apparent and there was some kind of hunger in the visitors to explore before they acquired what they need.

C. Renganathan - Director,
Chennai Metco Pvt. Ltd.

IMTMA did a commendable job in organizing the show. The Digital Manufacturing section had some highly advanced and innovative products on Industry 4.0. It was interesting to witness such a wide variety of technological advancements on one platform.

Jaydeep Sagare - Director,
Purchasing, Volvo GE India Pvt. Ltd.

Congratulations IMTEX 23 team. We at Orbital Mekatronik Systems had an excellent response for our safety and automation solutions.

Ranjit Kambil - Director,
Orbital Mekatronik Systems Pvt. Ltd.

At IMTEX 2023, manufacturing technology met the actual users who got the best outputs in terms of quality and pricing.

Sundaram Anand
Director and Co-founder, SPM India

IMTEX 2023 was one of the best shows ever. Keep it going.

L. Krishnan - Managing Director,
TaeguTec India Private Limited

A big thank you to the organizing committee of IMTEX for putting up such a wonderful show. There was an amazing number of visitors that had come on all 7 days.

Advait Purav - Production Engineer,
CP GRAT-EX Manufacturing Company

IMTEX 2023 to hold job fair for engineering students from Jan 19-25

This year, the event has more than 900 exhibitors from 23 countries.

INDUSTRIAL AUTOMATION

IMTEX 2023, Tooltech 2023 & Digital Manufacturing 2023 inaugurated

The 20th edition of IMTEX runs from 18th to 20th January 2023 and has 900+ exhibitors from 27 countries.

Singapore, January 2023: IMTEX 2023, Tooltech 2023 & Digital Manufacturing 2023 inaugurated by the Hon. Chief Minister, Mr. Heng Swee Keat, on 18th January 2023. The inauguration was held at the Singapore Convention Centre. The event is a flagship event for the trade, retail, engineering and technology sectors in Singapore and other global countries.

IMTEX 2023, was inaugurated by Mr. Heng Swee Keat, Chief Minister, Singapore. He said that the event is a flagship event for the trade, retail, engineering and technology sectors in Singapore and other global countries. He also mentioned that the event is a platform for industry leaders to showcase their products and services. The event is expected to attract a large number of visitors from around the world.

CERATIZIT Group's extensive product-range now on display at IMTEX 2023 & Tooltech 2023

New products (PVD), January 18 (SINGAPORE) CERATIZIT, a world-leading technology engineering group specialised in cutting tool solutions showcased their comprehensive range of products at IMTEX 2023 today at the Singapore International Exhibition Centre.

Bengaluru to host machine tools expo IMTEX from today

The 20th edition of IMTEX runs from 18th to 20th January 2023 and has 900+ exhibitors from 27 countries. The event is a flagship event for the trade, retail, engineering and technology sectors in Singapore and other global countries. It is expected to attract a large number of visitors from around the world.

Digital Manufacturing Technology

23 - 29 January 2025, Bengaluru

Formed in 1946, IMTMA, today with 460+ companies, is the apex body of Indian machine tool industry and plays an important role in its development through various advocacy measures. IMTMA has set up institutions such as Advanced Machine Tool Testing Facility and Advanced Manufacturing Technology Development Centre, and worked closely with the government to set up a first of its kind machine tool park in Karnataka.

IMTMA has been in the forefront of skill development through its Technology Centres in Bengaluru, Pune and Gurugram. Its flagship show IMTEX is one of the leading global machine tool exhibitions. IMTMA also organizes seminars, summits and regional expos to develop manufacturing industry. A state-of-the-art exhibition venue called Bangalore International Exhibition Centre (BIEC) set up by IMTMA, acts as an ecosystem for the development of exhibitions and events in India.
