WHAT IS THE #SWISSTECH NIGHT?

A unique side event during the Web Summit 2023 to mingle with the Swiss startup and investor community:

→ No participation costs

→ Be part of an international audience, attend startup pitches and learn about Switzerland as a business location

→ Meet, share and learn: Network with investors, startups, representatives of official institutions, leaders of big companies and the media

→ **Submit your registration here**

FURTHER INFORMATION ABOUT WEB SUMMIT 2023

The Web Summit is one of the world's biggest startup communities and tech events. About 70.000 people are expected to come to Lisbon this year. The Web Summit lasts from 13-16 November and the opening ceremony takes place on Monday, 13 November at 16h00.

Web Summit Tickets: Due to a direct start-up application control by the Web Summit organization, the ticket must be directly booked on their **webpage.**
