Attachment I: Terms and Conditions

PAYMENT TERMS

Payment	50 % down payment due immediately upon receipt of order confirmation 50 % balance 30 days net from the final invoice date
Delivery	You will be notified of the delivery date for your project when we receive your order confirmation. This date will depend on local factors and any external suppliers involved. The delivery period does not begin until we have received the down payment.
Validity	01.12.2020
Expenses	If the client commissions S-GE to perform a service which entails expenses (such as for hotels, transportation, restaurants, etc.) and S-GE finances these in advance, these costs will be billed to the client along with a 2% administration surcharge. Expenses are not eligible for discounts.
Exchange rate	Exchange rate: In the case of foreign currencies, the exchange rate can be reviewed at the settlement date and adjusted to the related services from a difference of +/- 2% of the eligible costs in the final invoice. The exact daily exchange rate at the settlement date is decisive for invoicing.
Work exceeding scope	Should work exceed the framework set out in this offer, Switzerland Global Enterprise will ask for the written agreement of the ordering party before proceeding.

CONFIDENTIALITY

Switzerland Global Enterprise guarantees that it will handle all documents and information received from its clients for the purposes of executing its project in strict confidence.

GENERAL TERMS AND CONDITIONS

By signing the order attached to this offer, the undersigned company confirms that it commissions Switzerland Global Enterprise subject to the terms set out in this offer. The undersigned company confirms that it has read and accepted the General Terms and Conditions of Switzerland Global Enterprise, which are published and can be viewed at www.s-ge.com/terms. The undersigned company acknowledges that the aforementioned General Terms and Conditions are an integral part of this project.

DISCLAIMER

Switzerland Global Enterprise performs this project using sound procedures and in cooperation with certified partners. We guarantee the suitability of the methodological procedure and professional implementation together with the participating internal and external bodies. No guarantee is provided for the effective success of the project. This depends on a variety of factors and circumstances that cannot be influenced or shaped by Switzerland Global Enterprise (market resonance, market yield, attractiveness of the offer, negotiating interest, etc.). Example: It cannot be guaranteed that a suitable business partner will be successfully identified or a business partnership successfully concluded as part of a given project. All market information is based on sources that are reviewed by Switzerland Global Enterprise and its partners and evaluated and interpreted in good faith as sufficiently reliable and meaningful. Switzerland Global Enterprise and its partners may not be held liable for any data that may be incomplete, inaccurate, or out of date, including information obtained from websites or other sources over which Switzerland Global Enterprise or its network partners have no control. Information has no legal or juridical character unless expressly designated as legally/juridically binding.
