

# SWISS Pavilion H2 Meet

25–27 September 2024  
KINTEX

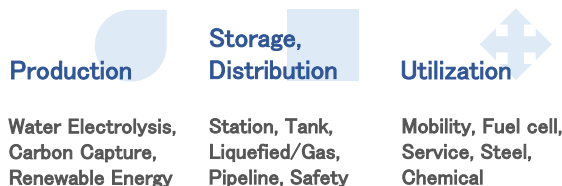

**K**orea is a global leader in the transition to hydrogen, supplying almost 50% of the world's installed stationary fuel cells and nearly 60% of Fuel Cell Electric Vehicles worldwide.

**H**2 Meet is the world's largest hydrogen exhibition on production, storage & distribution, and utilization – a must-go trade fair for the industry.

**S** The SWISS Pavilion\* at H2 Meet promotes Swiss technology and offers exhibitors an all-round service enabling them to prioritize their customer relations.

**18** Countries  
**303** Exhibitors  
**32,427** Visitors

 We organize your participation – benefit from the **ready to use booth** to elevate your customer relations

 Attractive **booth design with Swiss identity** which stands for high-quality standard and innovation

 You have your **own exhibition space** and can use the **joint hospitality area** for your meetings

 **Complimentary consulting session** in preparation for the show – book one with our Korea specialist

*\* A minimum of six Swiss or Liechtenstein companies is required to realize the Swiss Pavilion*
